

NYS EMT-CC to Paramedic Bridge Course #12

NYS Course # XXXXXX

Start Date April 18, 2023

Module 1: Preparatory / Operations

Start Date	End Date	Activities	Required Material	Recommended Online Material
4/18/24		Preparatory / Operations Pre-Assessment	<i>ECITS</i>	<i>ECITS Online LMS</i>
		LMS Learning Modules... EMS Systems / Research / Workforce Safety Life Span Development / Public Health Documentation / Medical Terminology Medical Legal & Ethics / EMS Communications	Pgs. 3-70 Pgs. 71-94; 477-496 Pgs. 169-226 Pgs. 95-168	Case Studies Ch. 1,2,3,4,5,6,7 Flashcards Ch. 1,2,3,4,5,6,7 Focus Slides Ch. 1,2,3,4,5,6,7
		Preparation / Operations Quiz 1	Passing Grade 100 %	
		LMS Learning Modules... Patient Assessment	Pgs. 499-618	Case Study Ch. 11 Flashcards Ch.11 Focus Slides Ch. 11 Virtual Ride-Along GI Bleed
		Preparation / Operations Quiz 2	Passing Grade 100 %	
		LMS Learning Modules... Immunology / Infectious Diseases Principles of Pharmacology Medication Administration	Pgs.1315-1396 Pgs. 619-770	Case Study Ch. 13,14,25 Flashcards Ch. 13,14,25 Focus Slides Ch. 13,14,15,25 Virtual Ride-Along Allergic Reaction Simulations Allergic Reaction
		Preparation / Operations Quiz 3	Passing Grade 100 %	
		Case Studies Student Activities; Matching Exercise Student Activities; Medication Math Exercise	5 Case studies 1 exercise 1 exercise	Chapters 46 – 52 Pgs. 2203-2514
	Complete by 6/20/24	Preparation / Operations Final Examination	215 questions (4 hours) Passing Grade: 80%	Virtual Ride-Along MCI Test Prep Operations Exam
6/20/24	7/1/24	FISDAP Operations Exam	Passing Grade: 70%	
		END OF MODULE		

NYS EMT-CC to Paramedic Bridge #12

NYS Course # XXXXXX

Module 2; Pathophysiology

Start Date	End Date	Activities	Required Material	Recommended Online Material
7/1/24		Pathophysiology Pre-Assessment	<i>ECITS</i>	<i>ECITS Online LMS</i>
		LMS Learning Modules... Pathophysiology; Part 1 Pathophysiology; Part 2	Pgs. 229-469	Case Studies Ch. 8,9 Flashcards Ch. 8,9 Focus Slides Ch. 8,9 Ebook Quiz Ch. 8,9
		Pathophysiology / A&P Case Studies (3) Student Activities; Acid-Base Review Matching Review Exercise		
	Complete By 7/30/24	Pathophysiology; End of Module 2 Examination	100 questions (2 hours) Passing grade: 80%	
	7/30/24	END OF MODULE		

All

required Reading is from Nancy Caroline's *Emergency Care in the Streets, 8th Edition (ECITS)*. All recommended online material is on the JB Learning Navigate 2 Platform for Nancy Caroline's *Emergency Care in the Streets, 8th Edition*. Use of the JB Learning LMS systems to support the primary bridge material is strongly recommended and encouraged.
